

Ashish Kumar

DATA SCIENTIST

Bangalore, India

☎ (+91) 8971218068 | ✉ mrashrike@gmail.com

About Me

Results-driven Data Scientist with a strong foundation in Machine Learning, LLMs, and Software Development. Proven ability to design and deliver high-impact AI applications, from automating documentation tasks to building secure financial agents. Adept at working in fast-paced, asynchronous environments with expertise in Python and modern data tech stacks.

Work Experience

Experience

Bangalore, India

- Data Science Scrum Participant: Collaborated on the "New Age Delivery" project, focusing on ticket classification and resource allocation algorithms.
- Automation & Monitoring: Developed AIOps functionality to monitor server health and utilized Jenkins for the continuous integration of AIML models.
- Dashboard Development: Designed automated Knowledge Transition dashboards using Tableau and PowerApps to streamline onboarding.

Projects

Bank Agent

GenAI security research on function calling llms

AI APPLICATION

- Bank: an API that mimicks a bank service where you can list accounts, balances, and make transfers both between your own accounts and other accounts.
- Agent: a Generative AI agent that can interact with the Bank API on the user's behalf.

Online Banking

BACKEND APPLICATION

Python, Flask

- Uses Python and MySQL - Transaction Management, Loans, Cheque, Fund Transfers.
- All forms validated on Client Side using JS and on Server Side using Python.
- Project Link - <https://github.com/meashish194/OnlineBankingPython>

Skills

Programming Languages

Python (Expert), SQL, Java, C++

Machine Learning & AI

Large Language Models (LLMs), TensorFlow, PyTorch, Keras, Scikit-learn.

Frameworks

Flask, FastAPI

Tools & Technologies

AWS (EMR, Airflow, S3), SQL, Clickhouse, MongoDB, Docker, Kubernetes.

Data Visualization

Tableau, Microsoft Power BI, PowerApps, Elasticsearch

Education

A.M.C Engineering College, Bangalore

MASTER OF COMPUTER APPLICATION

Karnatka, India

- Class : First

Administrative Management College, Bangalore

BACHELOR OF COMPUTER APPLICATIONS

Bangalore, India

DAV PUB School, Bokaro

SENIOR SCHOOL

JH, India
