About Me

AI Engineer with 2+ years of experience building AI-powered web applications and multi-agent systems. Skilled in LLM integration, prompt engineering, AI web architecture, CI/CD automation, REST APIs, MySQL, and AWS cloud deployment, delivering scalable and production-ready AI solutions.

Work Experience

Foster Technologies India Pvt.Ltd.

AI ENGINEER

Jan. 2024 - Present

- Developed and maintained AI-powered web-based applications integrating multi-agent systems for real-world use cases.
- Implemented modular agent architecture for task planning, role assignment, and message orchestration.
- Implemented AI-based web architecture with CI/CD pipelines to automate deployment and scaling of multi-agent systems, reducing release time and improving system reliability.
- Managed MySQL databases, developed REST APIs, and deployed AI applications on AWS cloud for scalable production systems.
- Integrated LLM-based inference using provider OpenAI.
- Built prompt engineering logic for agent coordination and response generation.
- Improved automation and scalability of agent setup for AI workflows.

Foster Technologies India Pvt.Ltd.

ASSOCIATE SOFTWARE DEVELOPER

Jan. 2021 - Feb. 2024

- Spearheaded the design and deployment of an LLM-driven testing automation platform for log analysis, bug tracking, and reporting, slashing manual effort by 80%.
- Scaled infrastructure for 25,000+ enterprise customers through AI-enabled cloud migration and performance optimization initiatives.
- Demonstrated the solution to SAP clients, highlighting measurable improvements in cloud adoption and enterprise AI integration.

Projects

- Multi-Agent Generator:** Low-code/no-code python library that transforms plain English instructions into fully configured multi-agent AI teams.
- Online Banking:** Uses Python and MySQL – Transaction Management, Loans, Cheque, Fund Transfers.

Skills

LANGUAGES Python (Expert), Javascript

DATABASE MySQL

FRAMEWORKS CrewAI, LangGraph, Agno

CLOUD AWS

Education

A.M.C. Engineering College, Bangalore

MASTER OF COMPUTER APPLICATIONS

Karnataka, India

- Class : First Class

Administrative Management College, Bangalore

BACHELOR OF COMPUTER APPLICATIONS

Karnataka, India
